 Easy operation
 SUS Stainless steel

- Socket head cap screws have built-in magnetic stainless steel washers.
- They can be detected magnetically even if the screw falls out from food industry machines and get mixed in food products in factories.
- The washer is built in below the neck so it does not fall off. Attaching the washer is not required.
- Washer's corrosion resistance is as same as SUS304.

● Application

With magnetic detection
Food industry machines, food production lines,
and food packaging lines

● Material/Finish

RoHS2 Compliant
