

SVSS(INCH) Hex Socket Head Cap Screws (with Ventilation Hole / Inch Screws)

Vacuum Cleanroom wash & packaging SUS Stainless steel

- The ventilation hole easily releases gas trapped in the screw holes of equipment and machines, and supports vacuum drawing of vacuum devices.
- Inch thread type.
- The ventilation hole is machined by a method that has less effect on metal structure. It suppress the brittle failure and generation of outgas in a vacuum environment during use.
- Cleanroom wash and cleanroom packing are completed. ➔ P.xxxx

• Application

Vacuum device / Vacuum container / FPD production device / Semiconductor manufacturing device / Electron microscope

• Material/Finish

	SVSS(INCH)
Main body	Equivalent to SUS304
Strength Class	A2-50

Unit : inch
