# Announcement for New Ownership of Solid Spot LLC's Fastener Business to NBK America LLC

April 8th, 2022

Dear Valued Customers,

We are NBK America LLC, we primarily deal with Japanese high-quality screws, couplings and additional machine components that are made in Japan, we have an American office in Pennsylvania.

At this time, NBK America LLC has acquired Solid Spot LLC's fastener business as of April 8th.

As a result, all the business of Solid Spot including Quotations, Inquiries, Orders, Invoices, and Shipments are being transferred to NBK America.

The Solid Spot Webpage([solidspot.com](https://www.solidspot.com)) will continue for a while, but all purchase orders from the Online Store will be transferred to and processed by NBK America.

### About NBK America LLC

NBK is a historical company starting in 1560, that manufactures off-the-shelf high quality screws made from metal, Clamping Screws/Bolts, Plungers, and various machine components.

In addition, NBK is a Shaft Coupling Manufacturer with the widest variety in the world. Flexible customizations are available.

NBK's products are used in equipment for Semiconductor Manufacturing, Medical Devices, Machine Tools, Food/Beverage, Optical, Automation, not only general industries.

NBK supplies solutions that overcome customers' challenges with NBK's experience and techniques.

Due to the business transitions, please note the following announcement that is related to every customer.

- About Part Numbers, Quantities in One Pack, and Prices

The Part Numbers are being changed to NBK's part numbers from Solid Spot's part number's, also the quantities in one pack may be changed as well.

However, you can submit your purchase orders with no changes for now, , NBK will initially keep the same quantity per bag, which Solid Spot was using.

In addition, in most cases, NBK offers single packs in smaller quantities as necessary.

Please contact [info.us@nbk1560.com](mailto:info.us@nbk1560.com) if you need a comparison table of Solid Spot part and NBK part numbers.

About the prices, NBK will keep the same prices as Solid Spot for a while, however, NBK may change the prices in the future due to the recent materials' cost and supply chain cost increasing.

Furthermore, at this time, you may continue to purchase any products with the same prices Solid Spot quoted.

Please contact NBK for those orders and for any price confirmations.

- **About Shipment and the Fees**

From now on, all the packages will be shipped from Pennsylvania (ZIP: 19406) instead of California, and therefore, the shipping fees are subject to change.

If you want to use NBK's shipping account with payment in advance instead of using your own account, NBK will use FedEx One Rate Service (2nd Day Air, only available for USA shipments), it is as reasonable as Solid Spots' so please let NBK know when you submit purchase orders.

- **For Customers in Pennsylvania**

Please submit your Reseller Permit or Tax Exemption Form if you have it, to [info.us@nbk1560.com](mailto:info.us@nbk1560.com) to avoid paying tax on orders.

- **For Customers outside of the USA, Canada, and Mexico**

For a while, NBK America will continue entering orders and processing shipments.

However, NBK also has distributors around the world, and you can purchase from them thereby saving shipping fees and some handling fees.

NBK will introduce these distributors to each customer upon request.

NBK is looking forward to doing business with you.

If you have any questions or requests, please feel free to contact us.
